

Which Side

Red Lorry Yellow Lorry

Holding on, you keep holding on
To the things you love, you just carry on
It's like amnesia as the days roll on
This shadow over everyone
Which side are you on
I said which side are you on
If your legs are tied, but your shoes undone
And your holding out, but it won't take long
When the walls are up, and you're tumbling down
Are you made of stone, will you carry on
Which side are you on
Which side are you on
Which side are you on
I said which side are you on
Which side
