Harvest Moon

Poolside

Come a little bit closer hear what I have to say
Just like children sleeping we can dream this night away
But there's a full moon rising let's go dancin in the night
We go where the music's playing lets go out and feel the cloudsBecause I'm still in love with you I want to see you dance again
Because I'm still in love with you on this harvest moonWhen we were strangers I watched you from afar
When we were lovers I loved you with all my heart
I know it's getting late and the moon is climbing high
I want to celebrate see it shining in the nightBecause I'm still in love with you I want to see you dance again
Because I'm still in love with you on this harvest moon.
