

Love Me Or Leave Me

[Cyrille Aimee](#)

Love me or leave me but let me be lonely
You won't believe it but I love you only
I'd rather be lonely than happy with somebody else
You might find the night time the right time for kissing
Night time is my time for just reminiscing
Regretting instead of forgetting with somebody else
There'll be no one unless that someone is you
I intended to be independently blue
I want you love but I don't wanna borrow
Have it today to give back tomorrow
Your love is my love
There's no love for nobody else

- guitar -

Love me or leave me but let me be lonely
You won't believe it but I love you only
I'd rather be lonely than happy with somebody else
You might find the night time the right time for kissing
Night time is my time for just reminiscing
Regretting instead of forgetting with somebody else
There'll be no one unless that someone is you
I intended to be independently blue
I want your love but I don't wanna borrow
Have it today to give back tomorrow
Your love is my love
There's no love for nobody else
Nobody else

This suspense is giving me

I can't stand on certenty

Tell me now I need to know

Whether you want me to stay or to go
