

Beauty Of Letting Go

Green River Ordinance

Stand outside these city walls
And feel the forces swimming strong
You're bathed in starlight, pulled through ocean tide
It hits you here, tonight and you're falling out of all you were
And you're finding out the beauty of letting go
Spend our whole life stuck in alright
Me, I've been there, sung that song before
Don't let your smile turn with the tide
You'll shine again, you're soon to find
That you're falling out of all you were
And you're finding out the beauty of letting go
And you're falling out of all you were
And you're finding out the beauty of letting go
You're waiting for the right time, waiting for the right time
Oh, you're waiting for the right time, waiting for the right time
Oh, you're waiting for the right time, waiting for the right time
Oh, you're waiting for the right time, right time, now
Oh, you're waiting for the right time, waiting for the right time
Oh, you're waiting for the right time, waiting for the right time
Oh, you're waiting for the right time, stop waiting for the right time
Oh, whoa, you're waiting for the right time,
stop waiting for the right time
Oh, whoa, you're waiting for the right time,
stop waiting for the right time
Oh, you're waiting for the right time
