

# One Grain Of Sand

## Ron Pope

I dont wanna hold you if you wanna go  
And im not gonna make you feel love if you don't  
I would rather learn what it feels like to burn then feel nothing at allOh,I used to treat you sweetly I would pull  
you to my chest as you cried about the ocean slipping quickly through your hands  
You were searching for one grain of sand along an endless beach  
As I was building you a castle that you just refused to seeWhat do I say? What do I do?  
To show all the ways my heart is slowly shattering for you  
What do I say? What do I do?I don't wanna hold you if you wanna go  
and im not gonna make you feel love if you don't  
I would rather learn what it feels like to burn then feel nothing at allYou have faded my reality like leaves that  
turn to dust  
fell asleep inside a fantasy and woke up feeling lost  
now I'm terrified and restless but i just cannot escape  
I wish you had words to cool this fever that is killing meWhat do i say? What do i do?  
To show all the ways my heart is slowly shattering for you  
What do i say? What do i do?I don't wanna hold you if you wanna go and im not gonna make you feel love if  
you dont  
I would rather learn what it feels like to burn then feel nothing at allI dont wanna hold you if you wanna go and  
im not gonna make you feel love if you dont  
I would rather learn what it feels like to burn then feel nothing at alloooh woah woah woah woah  
oooh woah woah woah woah  
oooh woah woah woah woah  
oooh woah woah woah woahI don't wanna hold you if you wanna go  
and im not gonna make you feel love if you don't  
I would rather learn what it feels like to burn then feel nothing at all
