

You Brought a New Kind of Love

[Robin McKelle](#)

If the nightingales could sing like you
They'd sing much sweeter than they do
For you brought a new kind of love to me And if the sandman brought me dreams of you
I'd want to sleep my whole life through
You brought a new love to me I know that I'm the slave, you're the queen
Still you can understand that underneath it all
You're a maid and I am only a man I would work and slave the whole day through
If I could hurry home to you
You brought a new kind of love to me I'm hit that I'm the slave, you're the queen
Still you might understand that underneath it all
You're a maid and I am only a man I would work and slave the whole day through
If I could hurry home to you
You brought a new kind of love to me
