

Does Anybody Really Know What Time It Is?

Chicago

As I was walking down the street one day
A man came up to me and asked me
What the time was that was on my watch, yeah
And I said Does anybody really know what time it is?
Does anybody really care?
If so I can't imagine why
We've all got time enough to cry And I was walking down the street one day
A pretty lady looked at me and said
Her diamond watch had stopped cold dead
And I said Does anybody really know what time it is?
Does anybody really care?
If so I can't imagine why
We've all got time enough to cry And I was walking down the street one day
Being pushed and shoved by people trying to beat the clock
Oh, oh, I just don't know, I don't know, I don't know, oh
And I said, yes, I said Does anybody really know what time it is?
Does anybody really care?
If so I can't imagine why
We've all got time enough to die Everybody's working
I don't care about time
I don't care
