

# For the First Time in Forever

## Kristen Bell & Idina Menzel

The window is open!

So's that door!

I didn't know they did that anymore!

Who knew we owned eight thousand salad plates? For years I've roamed these empty halls

Why have a ballroom with no balls?

Finally they're opening up the gates! There'll be actual real live people

It'll be totally strange

But wow! Am I so ready for this change? 'Cause for the first time in forever

There'll be music, there'll be light!

For the first time in forever

I'll be dancing through the night

Don't know if I'm elated or gassy

But I'm somewhere in that zone!

Cause for the first time in forever

I won't be alone I can't wait to meet everyone! (gasp)

What if I meet... the one? Tonight, imagine me gown and all

Fetchingly draped against the wall

The picture of sophisticated grace...

Ooh!Â I suddenly see him standing there

A beautiful stranger, tall and fair

I wanna stuff some chocolate in my face! But then we laugh and talk all evening

Which is totally bizarre

Nothing like the life I've lead so far! For the first time in forever

There'll be magic, there'll be fun!

For the first time in forever

I could be noticed by someone...

And I know it is totally crazy

To dream I'd find romance...

But for the first time in forever

At least I've got a chance! Don't let them in

Don't let them see

Be the good girlÂ

You always have to be

ConcealÂ

Don't feel

Put on a show...

Make one wrong moveÂ

And everyone will know But it's only for todayÂ It's only for today! It's agony to wait It's agony to wait! Tell the

guards to open up... the gate! The gate!

For the first time in forever  
Don't let them in, don't let them see  
I'm getting what I'm dreaming of!  
Be the good girl you always have to be  
A chance to change my lonely world  
Conceal A chance to find true love!  
Conceal, don't feelÂ

Don't let them know  
I know it all ends tomorrow,  
So it has to be today!  
'Cause for the first time in forever...  
For the first time in forever  
Nothing's in my way!
