

In 'N' Out

Van Halen

Yeah, I been in debt from conception
And I'll pay for the rest of your life
As long as I mail my bills and look me in the eye
You can have it now, but you gotta pay for it later
Oh, you work me up, I pay my plan
Now you're working for the man, yeah
They got you goin' in
They got you comin' out
Same amount, woo, in 'n' out
There ain't no way 'round the system
Money makes this world go 'round
All the way, they got you down
Sing and add it up for throwing yourself out the window, oh
My conscience loves to stick around
One more payment, lay it down on the ground
Well, they got you comin' in
They got you goin' out
Same amount, woo, in 'n' out, ow
Uh uh uh, yeah
Uh uh uh, yeah
Uh uh uh, yeah
Ooh, come on
Hey, it all depends how you see it
It's a plan or an opportunity
One thing for certain, you're gettin' nothin' free
I never met a man doesn't owe somebody somethin', no
No way to get free and clear
Only deeper, year after year, oh yeah
Well, they got you comin' in
Well, they got you goin' out
Got you comin' in for the same amount
Goin' out
Uh uh uh, yeah
In 'n' out
Uh uh uh, yeah
In 'n' out
Uh uh uh, yeah
In 'n' out
Uh uh uh, yeah
In 'n' out
Well, they got you goin' in
They got you comin' out
Same amount, in 'n' out
Uh uh uh
In 'n' out
Uh uh uh
In 'n' out
Uh uh uh
In 'n' out
Uh uh uh
In 'n' out
Uh uh uh, yeah

In 'n' out
Uh uh uh, yeah
In 'n' out
Uh uh uh, yeah
In 'n' out
Uh uh uh, yeah
In 'n' out Oh, they got you comin' in for the same amount
Goin' out, in 'n' out Uh uh uh, yeah
In 'n' out
Uh uh uh, yeah
In 'n' out
Uh uh uh, yeah
In 'n' out
Uh uh uh, yeah
In 'n' out Yeah, they got you comin' in
