

Thank You

[Wizkid](#)

Yeah man
Ya ya ya ya ya
Yeah man
Boom boom boom
Yeah man
Ya ya ya ya ya I was down on my luck one night
Then I saw her face
When she make it wind to the drums
All of my problems erased
Your body is paradise
Tonight I'm escaping
Like a shot of Tequila
Her love is intoxicating
Oh the way she put it on me I feel like I owe the girl
If I lost it all I still be the richest man in the world
'Cause in my sky you're the only star
It's your song you know who you are And I just wanna thank you
I just wanna thank you
I just wanna thank you
Just want wanna you
