Colbie Caillat

I wanna be your favorite song
You can turn it up, play me all night long
I wanna be your favorite song
La la la la We on our way back, we on a play back
We want some new plus oh never change that
We on a new tip, good music
We see the pen and the paper, we gonna use it
It takes a late night, to get them bright lights
We keep writing them songs, to live that good life
I do it for you, I do it for me
We break it down, Colbie, tell them the story Listen can you hear me
Am I coming in on your frequency
I got a story
Subject of the plot, you and me
And when you're sleeping, and when you're waking
And when you're feeling good
I'll be the thing that, you want to sing back
Stuck in your head like I knew you would I wanna be your favorite song
You can turn it up, play me all night long
I wanna be your favorite song
La la la la la
I wanna be your melody
Flowing through your head, when you think of me
I wanna be your favorite song
La la la la la You'll be singing like
Ooh ooh ooh ooh
Ooh ooh ooh ooh
Ooh ooh ooh ooh Baby can you feel me
I'm the kick drum that gets your heart to beat
I gotta have you near me
You can count me into every song I sing When you're sleeping, and when you're waking
And when you're feeling good
I'll be the one that you want to come back
Stuck in your head like I knew I would We on our way back, we on a play back
We on some new plus oh never change that
We on our way back, we on a play back
Play back play back play back play back I wanna be your favorite song
You can turn it up, play me all night long
I wanna be your favorite song

La la la la la
I wanna be your melody
Flowing through your head, when you think of me
I wanna be your favorite song
La la la la la You'll be singing like
Ooh ooh ooh ooh
Ooh ooh ooh ooh
Ooh ooh ooh ooh
Ooh ooh ooh ooh Girl the songs you sing
They my favorite things
You stay in my dreams
Something supreme Love is the key, and it's made your life see
Common and Colbie, I'm dusting off the old me
Like the OLB we call 'em oldies
In your melodies, I'm hearing things you never told me We stay in tune with each other,
In our room we'll discover new ways to do covers,
No matter how they dub us
We should stay true to the trust
And the winner of the best duo is us I wanna be your favorite song
You can turn it up, play me all night long
I wanna be your favorite song
La la la la la
I wanna be your melody
Flowing through your head, when you think of me
I wanna be your favorite song
La la la la la You'll be singing like
Ooh ooh ooh ooh
Ooh ooh ooh ooh
Ooh ooh ooh ooh
Ooh ooh ooh ooh All I wanna, all I wanna, all I wanna say is
I just wanna sing it to you everyday
All I wanna, all I wanna, all I wanna say is
La la la la la
All I wanna, all I wanna, all I wanna say is
I just wanna sing it to you everyday
All I wanna, all I wanna, all I wanna say is
La la la la la
