Loveeeeeee Song

Deluxe Trax

Ain't nothin' wrong with it...
I don't wanna give you the wrong impression
I need love and affection
And I hope I'm not sounding too desperate
I need love and affection
Love, love, love, love and affection
Love, love, l.o.v.eeeeeee and affection
Oh baby, I'm not asking for the world, maybe
You can give me what I want
Baby, come hold me tight and when I'm drowning save me
Give it to me on a daily
If I'm your girl say my name boy
Let me know I'm in control
We both grown so how we feel we can let it show
I I I, won't play around
I I I, I wanna lay you down
I I I, I need you now, I need you now
Ohh oh
I don't wanna give you the wrong impression
I need love and affection
And I hope I'm not sounding too desperate
I need love and affection
Love, love, love, love and affection
Love, love, l.o.v.eeeeeee and affection
Boy lately, you've been stingy with your time
Got me wondering, I'm wondering if I'm on your mind
Boy I just wanna be in your possession
You say I'm the one you want so come express it

Don't slip, don't slip
Cause a nigga might push upon it
Don't really wanna lose this moment
Why window shop when you own this
Don't put it down
Don't fuck around
I want you now, I want you now ohhh
I don't wanna give you the wrong impression
I need love and affection
And I hope I'm not sounding too desperate

I need love and affection
Love, love, love, love and affection
Love, love, l.o.v.eeeeeee and affection
Can you love me for poor
Or settle for my soul
Whoever turned you cold
You need to let him know
I can work miracles
I work it physical
And when I love you close,
You can feel my heart beating through my clothes
Future...
I don't wanna give you the wrong impression
I need love and affection
And I hope I'm not sounding too desperate
I need love and affection
Love, love, love, love and affection
Love, love, l.o.v.eeeeeee and affection
