

# American Death

## Senses Fail

We took a cab, so our flight comes back out number one  
This contacts brought an aesthetic like the innocent gun  
We can stand and can fight with a black pressured knife  
It wouldn't take quite enough, at the things you've comply  
Death dance, death dance  
Come dance with me, come dance with me  
Death dance, death dance  
Come dance, come dance, come dance with me  
You know you can't stay neutral on a moving train  
So pick a fucking side and place the blame  
'Cause there's nothing worse  
Than a bird with wings who doesn't fly  
So wake up and smell the flowers today  
From the wake there sat a yeah, I'm playing Monet  
Let it out, tough love that's left in this world  
And I don't lie anymore, your impossible sale  
Death dance, death dance  
Come dance with me, come dance with me  
Death dance, death dance  
Come dance, come dance, come dance with me  
You know you can't stay neutral on a moving train  
So pick a fucking side and place the blame  
'Cause there's nothing worse  
Than a bird with wings who doesn't fly  
There's no horrid places  
Americans don't die like this  
There's no horrid places  
A M E R I C A N  
There's no horrid places  
Americans don't die like this  
There's no horrid places  
Americans don't die like this  
You know you can't stay neutral on a moving train  
So pick a fucking side and place the blame  
'Cause there's nothing worse  
Than a bird with wings who doesn't fly  
You know you can't stay neutral on a moving train  
So pick a fucking side and place the blame  
'Cause there's nothing worse  
Than a bird with wings who doesn't fly
