

# Perfect Day (Chris Lord Alge Mix)

## Hoku

sun's up, it's a little after 12  
make breakfast for myself  
leave the work for someone else  
people say, they say that it's just a phase  
they tell me to act my age  
well I am  
on this perfect day  
nothing's standing in my way  
on this perfect day  
where nothing can go wrong  
it's the perfect day  
tomorrow's gonna come too soon  
i could stay forever as i am  
on this perfect day  
sun's down, a little after 10  
i pick up all my friends in my mercedes benz  
wake up! don't tell me it's just a dream  
'cause when i've had enough you'll hear me say  
now don't you try to rain on my  
perfect day  
nothing's standing in my way  
on this perfect day  
where nothing can go wrong  
it's the perfect day  
tomorrow's gonna come too soon  
i could stay forever as i am  
on this perfect day  
whoo!(instumental)  
i'm in the race but, i already won  
and getting there can be half the fun  
so don't so stop me till i'm good and done  
don't you try to rain on my  
perfect day  
it's the perfect day  
it's the perfect day  
nothing's gonna bring me down  
i could stay forever as i am  
on this perfect day  
nothing's standing in my way

on this perfect day  
nothing can go wrong on this perfect day  
i'm in the race but, i've already won  
and getting there can be half the fun  
so don't stop me till i'm good and done  
don't you try to rain on my perfect day  
on this perfect day  
on this perfect day
