New Found Glory

You ask me, you ask me how I got to know you Just by speaking on the phone?

Isn't is crazy how the thought of my touch

Wakes you up when you're alone? Don't you believe everything you hear?

Darling, focus on the prize

Don't you hear me whisper in your ear?

My darling, don't lose sight of my eyesIt's not time to let go, this is not how

It's supposed to end in my mind, my baby

Maybe our intentions were wrong from the start

So answer me, so we don't fall apartI called 46 times

And you answered on the 47th

I called you 46 times

And you answered on the 47thYou tell me, you tell me, you've never felt so hard

For an obvious candidate

You said you hate your last love

And it's soon enough that you will forgetDon't believe everything you hear

Darling, I've never lied before

Don't you hear me whisper in your ear?

Forget him, you're what I'm waiting forIt's not time to let go, this is not how

It's supposed to end in my mind, my baby

Maybe our intentions were wrong from the start

So answer me, so we don't fall apartYou've even said yourself

You're setting yourself up

You've even said yourself

That everyone would turn

That everyone can turnAnd you've even told yourself

That the floodgates would break

So why are you taking so long to answer? It's not time to let go, this is not how

It's supposed to end in my mind, my baby

Maybe our intentions were wrong from the start

So answer me, so we don't fall apart

So answer me, so we don't fall apart

So answer me, so we don't fall apartI called 46 times

And you answered on the 47th

I called you 46 times

And you answered on the 47th
