

# Spaceship (feat. GLC & Consequ

## Kanye West

I've been workin' this grave shift and I ain't made shit  
I wish I could buy me a spaceship and fly past the sky  
I've been workin' this grave shift and I ain't made shit  
I wish I could buy me a spaceship and fly past the skyMan, man, man  
If my manager insults me again I will be assaulting him  
After I fuck the manager up then I'm gonna shorten the register up  
Let's go back, back to the Gap  
Look at my check, wasn't no scratch  
So if I stole, wasn't my fault  
Yeah I stole, never got caught  
They take me to the back and pat me  
Askin' me about some khakis  
But let some black people walk in  
I bet they show off their token blacky  
Oh now they love Kanye, let's put him all in the front of the store  
Saw him on break next to the "No Smoking" sign with a blunt in the mall  
Takin' my hits, writin' my hits  
Writin' my rhymes, playin' my mind  
This fuckin' job can't help him  
So I quit, y'all welcome  
Y'all don't know my struggle  
Y'all can't match my hustle  
You can't catch my hustle  
You can't fathom my love dude  
Lock yourself in a room doin' five beats a day for three summers  
That's a different world like three summers  
I deserve to do these numbers  
The kid that made that deserves that Maybach  
So many records in my basement  
I'm just waitin' on my spaceship, blaowI've been workin' this grave shift and I ain't made shit  
I wish I could buy me a spaceship and fly past the sky  
I've been workin' this grave shift and I ain't made shit  
I wish I could buy me a spaceship and fly past the skyMan, I'm talkin' way past the sky  
Let's go, yeah  
And I didn't even try to work a job  
Represent the mob  
At the same time thirsty on the grind  
Chi state of mind  
Lost my momma, lost my mind

My life, my love that's not mine  
Why you ain't signed?  
Wasn't my time  
Leave me alone, work for y'all  
Half of it's yours, half of it's mine  
Only one to ball  
Never wanna to fall  
Gotta get mine  
Gotta take mine  
Got a tech nine  
Reach my prime  
Gotta make these haters respect mine  
In the mall 'til 12 when my schedule headset nine  
Puttin' them pants shelves  
Waitin' patiently I ask myself  
Where I want to go, where I want to be  
Life is much more than runnin' in the streets  
Holla at 'ye, hit me with the beat  
Put me on my feet  
Sound so sweet  
Yes I'm the same ol' G, same goatee  
Stayin' low key, nope  
Holler at God "Man why'd you had to take my folks?"  
Hope to see Freddy G., Yusef G  
Love my G, Rolly G  
Police watch me smoke my weed and count my G's  
Got a lot of people countin' on me  
And I'm just tryin' to find my peace  
Should of finished school like my niece  
Then I wouldn't finally wouldn't use my piece, blaow  
Aw man, all this pressure I've been workin' this grave shift and I ain't made shit  
I wish I could buy me a spaceship and fly past the sky  
I've been workin' this grave shift and I ain't made shit  
I wish I could buy me a spaceship and fly past the sky I remember havin' to take the dollar cab  
Comin' home real late at night  
Standin' on my feet all damn day  
Tryin' to make this thing right  
And havin' one of my co-workers say "Yo you look just like  
This kid I seen in the old Busta Rhymes video the other night"  
Well easy come, easy go  
How that sayin' goes  
No more broad service, cars, and them TV shows  
I all had that snatched from me  
A and R's and their faculties all turn their back on me  
And didn't want to hear a rap from me

So naturally actually had to face things factually  
Had to be a catastrophe with the fridgest starin' back at me  
'Cause nothing's there, nothing's fair  
I don't want to ever go back there  
So I won't be takin' no days off 'til my spaceship takes off I've been workin' this grave shift and I ain't made  
shit  
I wish I could buy me a spaceship and fly past the sky  
I've been workin' this grave shift and I ain't made shit  
I wish I could buy me a spaceship and fly past the sky I want to fly, I want to fly  
I said I want my chariot to pick me up  
And take me brother for a ride
