

Take Away the Sun

Dropbox

If I could take away the sun
And steal the light from everyone
Then you'd all be forced to see
What the world looks like to me I believe you will see
I believe monster in me Sometimes it feels like number one
But half the time I'm feeling numb
It's hard to show you how I feel
When everything is so surreal I believe you will see
I believe monster in me
I believe you will see
I believe monster in me The good inside completely drained
As I wake and scream your name
Distant voices sing by tune
Howling choir under moon If I could take away the sun
And steal the light from everyone
Then you'd all be forced to see
What the world looks like to me Take away the sun
Take away the sun
Take away the sun
Take away the sun
