

Pizza Girl

The Bone Daddies

Love showed up
At my door yesterday
It might sound cheesy
But I wanted her to stay
I fell in love with the pizza girl
Now I eat pizza everyday, oh
I fell in love with the pizza girl
Now I eat pizza everyday
I was stuck
In a box
For so long

Now I say
That the pizza girl
She's the one for me
Yeah
I fell in love with the pizza girl
Now I eat pizza every day, oh
I fell in love with the pizza girl
Now I eat pizza every day
Now I eat pizza every day
Now I eat pizza every day
