

I'm Sorry (But So Is Brenda Lee)

[Marshall Crenshaw](#)

I'm sorry, whoa baby, I'm sorry
Yes baby, I'm sorry for the things that I said to you
You know I love you and you know I care
With you my little heart, I want to share You know I need you with all your heart and soul
You know that I want you and I'll never, never let you go
Forgive me, ooh baby, please forgive me
Mmm baby, please forgive me for I knew not what I would say Come on, baby, you know I need you
Give me one more chance to prove my love for you now
You know I love you and I place nobody else above you
So come on, yeah, come on say that you love me
'Cause I'm sorry, whoa baby, I'm sorry
Yes baby, I'm sorry for the things I said to you
