Giants Fall

Agent Side Grinder

Everyone's telling you
To let go of what you're holding to
It's too late, too far
You're too small, it's too hard
Throwing water on that spark
Living deep inside your heart
With oceans of reasons
The things you're not seeing
But oh, maybe they don't
Know what you know
That you're not aloneDon't you be afraid
Of giants in your way
With God you know that anything's possible
So step into the fight
He's right there by your side
The stones inside your hand might be too small
But watch the giants fallWe could really live like this
Can't you imagine it
So bold, so brave
With childlike faith
Miracles could happen
Mountains would start moving
So whatever you may faceDon't you be afraid
Of giants in your way
With God you know that anything's possible
So step into the fight
He's right there by your side
The stones inside your hand might be too small
But watch the giants fallAsk and believe
You're gonna see
The hand of God in every little thingDon't you be afraid
Of giants in your way
With God you know that anything's possible
So step into the fight
He's right there by your side
The stones inside your hand might be too small
But watch the giants fallMiracles can happen
Anything is possible
Watch the giants fall
