

Giants Fall

Agent Side Grinder

Everyone's telling you
To let go of what you're holding to
 It's too late, too far
 You're too small, it's too hard
 Throwing water on that spark
 Living deep inside your heart
 With oceans of reasons
 The things you're not seeing
 But oh, maybe they don't
 Know what you know
 That you're not alone
 Don't you be afraid
 Of giants in your way
 With God you know that anything's possible
 So step into the fight
 He's right there by your side
 The stones inside your hand might be too small
 But watch the giants fall
 We could really live like this
 Can't you imagine it
 So bold, so brave
 With childlike faith
 Miracles could happen
 Mountains would start moving
 So whatever you may face
 Don't you be afraid
 Of giants in your way
 With God you know that anything's possible
 So step into the fight
 He's right there by your side
 The stones inside your hand might be too small
 But watch the giants fall
 Ask and believe
 You're gonna see
 The hand of God in every little thing
 Don't you be afraid
 Of giants in your way
 With God you know that anything's possible
 So step into the fight
 He's right there by your side
 The stones inside your hand might be too small
 But watch the giants fall
 Miracles can happen
 Anything is possible
 Watch the giants fall
