

Better Than a Dream (feat. Judy Holliday)

Dean Martin

with Judy Holliday
Judy Holiday: So that's what you look like
At last I know
You're better better than a dream
What you are is better far better than a dream
Well I tried to picture your face
But now I see you you're out of this world you're out of this sphere you're out of that outer space
Better better than a dream
What is real is more ideal than a dream
To see and hear you to be so near you is better better than a dream
