

# Country Girl

**Paul Brandt**

She's been in 4-H since she was nine years old  
She wears overalls and has a heart of gold  
She likes ATV'S and trucks, and fishin holes  
But she's got a tender side

She don't let nobody tell her what to do  
She thinks Jimmy Thompson's smile is kinda cute  
She loves her mom and dad and she love's Jesus too  
Well some things you just can't hide

She's a wild rose  
Pretty as a picture and  
hard to hold  
off to chase the chickens  
She's a little tom-boy  
but ain't she beautiful  
Look out world She  
Ain't afraid  
running round barefoot  
hair up in braids  
but man does she look good  
A little tom-boy  
but ain't she beautiful  
She's a Country Girl

Her mom and them just shake their heads when she runs by  
she can't help but turn the head of every guy  
If daddy even thinks about that day he cries  
but whatcha gonna do?

Then the day her daddy dreaded finally came  
the church, the gown, that boy, the rings. the weddin cake  
She might be all grown up, but nothin's really changed
