

# Warm Leatherette

Grace Jones

Warm leatherette, warm leatherette  
Warm leatherette, warm leatherette See the breaking glass in the underpass  
See the breaking glass in the underpass Warm leatherette, warm leatherette  
Warm leatherette, warm leatherette Feel the crushing steel, feel the steering wheel  
Feel the crushing steel, feel the steering wheel  
Feel the crushing steel, feel the steering wheel  
Feel the crushing steel, feel the steering wheel Warm leatherette, warm leatherette  
Warm leatherette, warm leatherette Warm leatherette melts on your burning flesh  
You can see your reflection on the luminescent dash  
Warm leatherette melts on your burning flesh  
You can see your reflection on the luminescent dash Warm leatherette, warm leatherette  
Warm leatherette, warm leatherette A tear of petrol is in your eye  
The hand brake penetrates your thigh  
A tear of petrol is in your eye  
The hand brake penetrates your thigh Warm leatherette, warm leatherette  
Warm leatherette, warm leatherette Feel the crushing steel, feel the steering wheel  
Feel the crushing steel, feel the steering wheel  
Feel the crushing steel, feel the steering wheel  
Feel the crushing steel, feel the steering wheel Warm leatherette, warm leatherette  
Warm leatherette, warm leatherette A tear of petrol is in your eye  
The hand brake penetrates your thigh  
A tear of petrol is in your eye  
Quick, let's make love before we die On warm leatherette, on warm leatherette  
On warm leatherette, on warm leatherette  
Warm leatherette, warm leatherette  
Warm leatherette, warm leatherette Join the car crash set
