

My Love For You (Has Turned To Hate)

[Hank Williams](#)

I'll never forget that sad, sad day
Darling, that you went away
You told me that our love was true
And then you left me lone and blue
Yes, I received your note today
Saying you'd come back and stay
Don't come back now, it is too late
My love for you has turned to hate
Don't come back now on your knees
Crying, "Take me back, please"
'Cause you can't mend my broken heart
Because it died while we were apart
Yes, I received your note today
Saying you'd come back and stay
Don't come back now, it is too late
My love for you has turned to hate
