

Beautiful Goodbye

Maroon 5

I count the ways I let you down
On my fingers and toes but I'm running out
Clever words can't help me now
I grip you tight but you're slipping out And I remember your eyes were so bright
When I first I met you, so in love that night
And now I'm kissing your tears goodnight
And I can't take it, you're even perfect when you cry
Beautiful goodbye, bye bye, bye bye
It's dripping from your eyes (bye bye, bye bye),
Your beautiful goodbye (bye bye, bye bye)
It's dripping from your eyes (bye bye, bye bye), oh yeah When did the rain become a storm
When did the clouds begin to form
Yeah we got knocked off course by a natural force
And well, we'll be swimming when it's gone And I remember your eyes were so bright
When I first I met you, so in love that night
And now I'm kissing your tears goodnight
And I can't take it, you're even perfect when you cry
Beautiful goodbye, bye bye, bye bye
It's dripping from your eyes (bye bye, bye bye),
Your beautiful goodbye whoa (bye bye, bye bye)
It's dripping from your eyes (bye bye, bye bye), oh yeah All the pain you try to hide
Shows through your mascara lines as they stream down from your eyes
And let 'em go, let 'em fly
Holding back won't turn back time
Believe me, I've tried Your eyes were so bright
And I remember your eyes were so bright
I remember your eyes were so bright
When I first I met you, how in love were we that night
And now I'm kissing your tears goodnight
And I can't take it, you're even perfect when you cry
Beautiful goodbye (bye bye, bye bye), oh yeah
It's dripping from your eyes (bye bye, bye bye),
Your beautiful goodbye (bye bye, bye bye), whoa
It's dripping from your eyes (bye bye, bye bye), yeah yeah Beau, oh yeah
