All I Know

Free Energy

Well, I know it's the solitude
Fillin' me up with you
My loveAnd I know that it's not my style
But here we have a while
My love'Cause you find in the morning
The time it takes in the morning
Has happened beforeAnd I know what a fake looks like
I saw him come out tonight
And that's hard, so hardWell, I can't let go
That's all I know
Well, I can't let go
That's all I knowWhat I found in the perfect sun
I came to know everyone
I loveI've been thinkin' 'bout how it's blessed
And givin' me happiness
From aboveAnd the time in the morning
The time you take for the morning
Has happened beforeAnd now I know what a fake looks like
I saw him come out tonight
And that's hardWell, I can't let go
That's all I know
Well, I can't let go
That's all I knowWell, I can't let go
That's all I know
And, I can't let go
That's all I knowAnd, I can't let go
That's all I know
And, I can't let go
That's all I know
