Cam'ron

Killa, killa, killa, DipSet bitch
DipSet bitch, DipSet bitch
DamnThem niggaz pumpin' dimes, trunk pumpin' mine
I really make cake, you could call me Duncan Hines
Had a drunken mind, club wobbled out
Next stop, start trouble inside the waffle houseMm, click the nine, yup, skip the line
Looked at home boy yo, your bitch is mine
Had a little knife, tried to flick his shine
Had a big gat, click, clack, hit reclineDon't ever complain, over no dumb dame
See you big money, I'll turn 'em to chump change
Let my muscles show, 'cause I'm like Russell Crowe
Beautiful mind, took his bitch, hustle hoeThat was her boo, yes sir true
But I collect the chicken, call me Purdue
His ex wife, a new sex life
But check it, go get ya wet wipesGo get ya wet wipes, go get ya wet wipes
