

Take No Prisoners (Demo)

Megadeth

Got one chance, infiltrate them
Get it right, terminate them
The Panzers will, permeate them
Break their pride, denigrate them
And their people, retrograde them
Typhus, detriate them
Epidemic, devastate them
Take no prisoners, cremate them
Burn Going to war, give 'em hell
D-Day, next stop Normandie
Beginning of the end
We know how to and sure as shit we'll win
War is peace sure man
A retreat for the damned
A playground for the demented
A heaven for those who walk this world
Bereft of heart and soul
Love and war they say all is fair
Take his life
But won't take his hair
Your body has parts your
Country can spare
By the way son here's
Your wheelchair
