This Is My Now

Scott Krippayne

There was a time I packed my dreams away.
Living in a shell, hiding from myself.

There was a time when I was so afraid.
I thought I?d reached the end,
But baby that was then
I am made of more than my yesterdays.

This is my now, and I am breathing in the moment.
As I look around
I can?t believe the love I see.
My fears behind me, gone are the shadows and doubt
That was then, this is my now.

I have to decide,
Was I gonna to play it safe.
Or look somewhere deep in side,
Try to turn the tide,
And find the strength to take that step of faith.

This is my now, and I am breathing in the moment.
As I look around
I can?t believe the love I see.
My fears behind me, gone are the shadows and doubt
That was then, this is my now.

And I have the courage like never before, yeah.
I?ve settled for less now I?m ready for more,
Ready for more.

This is my now, and I am breathing in the moment.
As I look around I can?t believe the love I see.
My fears behind me, gone are the shadows and doubt
That was then, this is my now.

I?m living in the moment
I look around I can?t believe the love I see.
My fears behind me, gone are the shadows and doubt
That was then, this is my now.
This is my now.
