

Inaudible Melodies

Jack Johnson

Brushfire fairytales
Itsy bitsy diamond wells
Big fat hurricanes
Yellow bellied given names
Well shortcuts can slow you down
And in the end we're bound
To rebound off of weWell dust off your thinking caps
Solar powered plastic plants
Pretty pictures of things we ate
We are only what we hate
But in the long run we have found
Silent films are full of sound
Inaudibly freeSlow down everyone
You're moving too fast
Frames can't catch you when
You're moving like thatInaudible melodies
Serve narrational strategies
Unobtrusive tones
Help to notice nothing but the zone
Of visual relevancy
Frame-lines tell me what to see
Chopping like an axeOr maybe Eisenstein should just relaxSlow down everyone
You're moving too fast
Frames can't catch you when
You're moving like thatWell Plato's cave is full of freaks
Demanding refunds for the things they've seen
I wish they could believe
In all the things that never made the screen
And just slow down everyone
You're moving too fast
Frames can't catch you when
You're moving like that
Slow down everyone
You're moving too fast
Frames can't catch you when
You're moving like that
Moving too
