

Excruciating Commands

Massacra

(Lyrics : Chris Palengat)

Feeling no remorse when bombs land on target

You feel the satisfaction of a job well done

 Devoid of feeling

 You're a war machine

 Devotion to duty, no sense of regret

Its the result of treatments you've undergone

 Drafted to this air armada

 Because you're at their beck and call

 Filled full of propaganda

They've got your mind under control

 Brainwashing program

 Fire and forget instruction

 Conditioned reflex

 No human factor

 Blind subordination

 Dropping a thousand bombs without hesitation

No consideration for the people you kill devoid of feeling

 You're a war machine

They've erased your scruples about slaughtering

 You obey orders on your own free will

 You've followed a special training

 Molding your sensibility

They've broken you, no thinking for yourself

 Changing your personality

 Mental enslavement

 Fire and forget instruction

 Conditioned reflex

 No human factor

 Blind subordination

Now you live the life of an automation

And they obtain your entire submission

 Using this program of indoctrination

 They've neutralized your conscience

You're a mere shadow of your former self

 Unquestioning obedience

Its their way of appeasing your conscience

 Psychological cleaning

 You've been brainwashed
