

Not Your Friend

Cecimonster vs. Donka

Your girlfriend wants to get with me
I can tell how she looks at me
And how she licks her tongue at me
Then ask for a ride home with me
She likes what I do to you
Tell you all the things that you never knew
Like the sky her Ferrari's blue
Spending time in Honolulu
I told you once before about that girl
She's so mysterious, so watch that girl
And keep that girl away from me
'Cause she's jocking me
You're girl
(Wanting me)
I see her
(Watching me)
She's licking
(Her lips at me)
She's not your friend the girl
(So shady
I see her
(Watching me)
She's licking
(Her lips at me)
She's not your friend your girl
Your friend wants to get with me
She's hawking me down like you wouldn't believe
Leaving her panties at my doorstep too
Writing me letters dissin' you
She's a freak like I told you so
Said she wanna go toe to toe
With me and your other girl Coko
Just sit back baby watch her go
I told you once before about that girl
She's so mysterious, so watch that girl
And keep that girl away from me
'Cause she's jocking me
You're girl
(Wanting me)

I see her
(Watching me)
She's licking
(Her lips at me)
She's not your friend the girl
(So shady)

I see her
(Watching me)
She's licking
(Her lips at me)
She's not your friend

Your girl
(Wanting me)

I see her
(Watching me)
She's licking
(Her lips at me)

She's not your friend, the girl
(So shady)

I see her
(Watching me)
She's licking
(Her lips at me)

She's not your friend, your girl
I told you once before about that girl
She's so mysterious, so watch that girl
And keep that girl away from me
'Cause she's jocking me

Your girl
(Wanting me)

I see her
(Watching me)
She's licking
(Her lips at me)

She's not your friend, the girl
(So shady)

I see her
(Watching me)
She's licking
(Her lips at me)

She's not your friend
Your girl
(Wanting me)
I see her

(Watching me)
She's licking
(Her lips at me)
She's not your friend, the girl
(So shady)
I see her
(Watching me)
She's licking
(Her lips at me)
She's not your friend, your girl
I told you once before
(She's not your friend, your girl)
I told you once before
(She's not your friend, your girl)
I told you once before
(She's not your friend, your girl)
I told you once before
(She's not your friend)
Your girl
(Wanting me)
I see her
(Watching me)
She's licking
(Her lips at me)
She's not your friend, the girl
(So shady)
I see her
(Watching me)
She's licking
(Her lips at me)
She's not your friend, your girl
