Keep on Pushing

The Impressions

Keep on pushin'
Keep on pushin'I've got to keep on pushing
I can't stop now
Move up a little higher
Someway or somehow'Cause I've got my strength
And it don't make sense
Not to keep on pushin'Hey, Hallelujah,Hallelujah
Keep on pushin'Now, maybe some day
I'll reach that higher goal
I know I can make it
With just a little bit of soul'Cause I've got my strength
And it don't make sense
Not to keep on pushin'Now look a look, look a look
A look a yonder
A what's that I see
A great big stone wall
Stands there ahead of meBut I've got my pride
And I'll move the wall aside
And keep on pushin'Hey, Hallelujah, Hallelujah
Keep on pushin'
Keep on pushin'What I say, yeah
Keep on pushin'
Well, that's alright
