

# Some People Say

## Slumberland Records

Still the snow keeps falling  
Till we can't keep out the cold  
But they don't know  
That my back was broken there  
I'm so numb i can hardly move  
You don't know  
And so you give love too easily some people say  
And i dreamt i was flying  
And i left you so far below

Where i can't see  
When the world is crumbling  
It's so hard just to watch you bleed  
But you can't see  
And so we give love too easily some people say  
And my back was broken  
I'm so cold I can hardly breathe  
You can't see  
Don't give up
