

End Of The World

Smile Empty Soul

Tears of angels falling
Children's mothers calling
And I'm not even looking down
And miss these demons hit the ground Little babies crying
Pretty ladies trying
To bring some order to their worlds
The lord is with you little girl And I don't know what to do
But sit here and wait for the end of the world
And I don't know what to do
But sit here and wait for the end of the world And I don't know what to do
But sit here and wait for the end of the world
And I don't know what to do
But sit here and wait for the end of the world
