Downtown

Swv

Boy, I want you to listen closely to what I have to say
'Cause this is the way to my heartOoh, you can't stop till you find my love
That's the love that you've been dreamin' of
You can't stop till you find my love
That's the love that you've been dreamin' ofYou've been wondering how you can make it better?
Baby, it's easy to turn my world inside out
Your discovery will take us to another place
Baby, on that, there is no doubtI've been waiting for the special moment
Anticipating all the things you'll do to me
Make the first step to release my emotions
To take the road to ecstasyYou gotta go downtown
That's the way to my love
Take it round and round
Oooh, you can't stop 'til you find my love
Go downtown, to taste the sweetness will be enough
That's the love that you've been dreamin' ofKeep on doing, doing what you're doing
'Til you feel the passion burning up inside of me
If you do me right, we'll be making love all through the night
Until you uncover the mysteryTake it nice and slow, baby, don't rush the feeling
Now you know how you can make it happen, yeah
My desire is begging for the healing
Let me guide you down to the place to beYou gotta go downtown
That's the way to my love
Take it round and round
Oooh, you can't stop 'til you find my love
Go downtown, to taste the sweetness will be enough
That's the love that you've been dreamin' ofThat's where I keep the key to my love
It opens up the door to so, so much more
Baby, move on down, get closer to my sensitivity
Ooh, yeah, baby, send meDowntown
If you go downtown
Baby, downtown
DowntownOoh, you can't stop till you find my love
Baby, don't you dare stop
That's the love that you've been dreamin' of
That's the love you're dreamin' ofOoh, you can't stop till you find my love
Don't you stop
That's the love that you've been dreamin' of
That's the love you're dreamin' ofYou gotta go downtown

That's the way to my love
Take it round and round
Ooh, you can't stop 'til you find my love
Go downtown, to taste the sweetness will be enough
That's the love that you've been dreamin' ofYou gotta go downtown
That's the way to my love
Take it round and round
Ooh, you can't stop 'til you find my love
Go downtown, to taste the sweetness will be enough
That's the love that you've been dreamin' ofYou gotta go downtown
Baby, don't stop, let me be your lollipop
Take it round and round
Ooh, go down, that's the way to my love
Down town, don't you stop
