Fall Here

Rascal Flatts

When youre ready for love,
And youve conquered your fear,
And you wanna fall baby,
Fall here.
When youve had enough hurt,
And youre tired of the tears,
If you wanna fall baby,
Fall here.
Youre broken and jaded, say loves overrated,
But I say girl aint that a shame?
With all that he put you through, I cant really blame you.
But dont let some fool give us all up at name.
When youre ready for love,
And youve conquered your fear,
And you wanna fall baby,
Fall here.
When youve had enough hurt,
And youre tired of the tears,
If you wanna fall baby,
Fall here.
Fall here, right into my world.
Let me catch you girl,
Let me be the one.
Let me be the one.
When youre ready for love,
When youre ready for love,
If you wanna fall I wont let you down girl.
Oh baby let go.
When youre ready for love,
And youve conquered your fear,
And youre tired of the tears,
Baby fall, baby fall here.
Yeah, baby fall here.
