Slam Bam!

Scott Dawson

It's only been since last December
That day I can't help but remember
She met me at the door
Said I ain't in love no more
Down at the Y now I'm a member

I swore I'd never take the plunge again
Soak up romance just like a sponge again
But in your arms tonight
I'm giving up the fight
I'll take the chance of getting stung again

Slam Bam! I'm falling in love with you
Slam Bam! I'm falling in love with you
Just like a lightning bolt out of the blue
Slam Bam! I'm falling in love with you

You stepped into my life so suddenly
You rocked me socked me shocked me
One, two, three
