S.o.s.

Elise Estrada

Have you ever been lonely
Lost and paralyzed
Trynna find a way out
But no one hears your cries
Have you ever been stranded
No strength to carry on
This is my reality
Now that you're gone
And I know that I caused you pain
I swear I'll never do it again
Since I walked outta your life
Things haven't been the same
I turned left when I shoulda turned right
And now I'm gone, lost in the night
Can't live without you in my life
So come and rescue me
So I'm sending this SOS to you
I'm sick and I don't know what to do
I can barely breathe and it's killing me
Gotta get this through to you
And I'm sending this SOS to you
'Cause I'm hoping you feel the same way too
Show me a sign 'cause I'm drowning inside
It's gotta get to you
This SOS
It's cold and it's empty
Just trying to exist
When I all I have is memories
Of everything I miss
Do you think about me
I'm going crazy thinking 'bout you
I pray to God to save me
And bring me back to you
And I know that I caused you pain
I swear I'll never do it again
Since I walked outta your life

Things haven't been the same
I turned left when I shoulda turned right

And now I'm gone, lost in the night
Can't live without you in my life
So come and rescue me
So I'm sending this SOS to you
I'm sick and I don't know what to do
I can barely breathe and it's killing me
Gotta get this through to you
And I'm sending this SOS to you
'Cause I'm hoping you feel the same way too
Show me a sign 'cause I'm drowning inside
It's gotta get to you
This SOS
Save me
(Na na na, no no no)
Save me
(I can't breathe, I can't breathe)
Save me
(Na na na, no no no)
Save me
(It's killing me, oh baby)
(I'm dying to hear)
So I'm sending this SOS to you
I'm sick and I don't know what to do
I can barely breathe and it's killing me
Gotta get this through to you
And I'm sending this SOS to you
'Cause I'm hoping you feel the same way too
Show me a sign 'cause I'm drowning inside
It's gotta get to you
This SOS
This SOS
I'm sending this SOS to you
I'm sending this SOS
I'm sending this SOS to you
I'm sending this SOS
I'm sending this SOS to you...
