

# Trumansburg

## Once Blue

Well, you walk in time  
A counter-clockwise clock  
And you beat it in rhyme  
Rhymes in stock  
Maybe he's been  
Maybe he's there  
Maybe he swims in a fountain square  
    {Maybe his eyes will roll up  
Sometimes everyone gives up  
    But I feel it from the gut}  
Well, it might sound crazy  
    Maybe absurd  
    Maybe I'm lazy  
I'm waiting on a word  
    {chorus}  
It might sound crazy  
    Maybe absurd  
But have you heard lately  
    From Trumansburg?  
I'm waiting on a word  
From Trumansburg . . .
