

Regular

Badfinger

Give him all he wants, anything he wants

Lady, he's a regular

Give it all for free, leave the bill for me to pay

Help him all you can, any way you can

Lady, he's a regular

If you do it right, you'll be coming home tonight

CHORUS: Lady have you ever been here (once or twice) You know I'm always in here (is it nice?) And any time
you're passing, please feel free

Give him all he wants, anything he wants

Lady, he's a regular, like me [guitar solo (Joey Molland)] CHORUS Give him all he wants, anything he wants

Lady, he's a regular, like me

Oh, he's a regular

I say, he's a regular, like me, oh

Oh, do you like to be beside the seaside? Do I like to be beside the sea?
