Seemed Like a Good Idea at the Time

The Darkness

We may not get back what we had
What I threw away
But you know I would do anything
Anything you say

I'd cross a thousand miles of broken glass
On my hands and knees
I would crawl if for a moment
We could cease hostilities

But it seemed like such a good idea at the time
Such a very very good idea at the time

I don't know where I am, I don't know where I went ?
I don't know where to start again
I don't know where I am, I don't know where I went ?
I don't know where to start again

Now the dream is over
But lately I have found
That you only seem to come alive
When I am not around

And it seemed like such a good idea at the time
Such a very very good idea at the time

I don't know where I am, I don't know where I went ?
I don't know where to start again
I don't know where I am, I don't know where I went ?
I don't know where to start

Well it seemed like such a good idea at the time
Such a very very good idea at the time

I don't know where I am, I don't know where I went wrong
I don't know where to start again
I don't know where I am, I don't know where I went ?
I don't know where to start
