

Up All Night

Davina Leone

It's the same, every night

Baby you show up when I turn out the light

It's a game when I'm lying in bed

Like a hide and seek yeah you're playing up in my head

The thought of you and I can hardly breathe(Chorus)

I'm tossing turning in my sleep

You've got me hooked I'm in so deep

You keep me up I'm up all night

You stole my mind I'm so obsessed

My heart's a wreck I'm one hot mess

You keep my up I'm up all night

Why can't i turn out the lightWhen I dream its such a beautiful view

You're like a drug to me baby I'm getting high off of youYou're the one thing in my heart I can't let go(Chorus)

I'm tossing turning in my sleep

You've got me hooked I'm in so deep

You keep me up I'm up all night

You stole my mind I'm so obsessed

My heart's a wreck I'm one hot mess

You keep my up I'm up all night

Why can't i turn out the light(Rap)

Yeah, it looks like we're both coming down with a minor case of insomnia

Cause not a second, not a minute, not an hour, not a day goes by that I haven't thought of ya

Baby girl, it's been a couple days now since you hijacked my brain

Now I can't sleep now I can't think, I'm just sitting her wondering if you feel the same

Yeah, I would never have predicted that you would ever have me feeling this addicted

It's like I took my heart then I threw it in a box sealed it up mailed it out and shipped it

Straight to your front door sign, for my love on the dotted line

I'm done laying in my bed thinking about you, I think its time i made you mine(Chorus)

I'm tossing turning in my sleep

You've got me hooked I'm in so deep

You keep me up I'm up all night

You stole my mind I'm so obsessed

My heart's a wreck I'm one hot mess

You keep my up I'm up all night

Why can't i turn out the light(4x)

Up, all night all night

(3x)

Woh oh oh oh, woh oh ohI'm up all night

Why can't I turn out the light
