

# Everybody Wants to Rule the World

## Christian Burns

Welcome to your life,  
There's no turning back.  
even while we sleep  
we will find you  
acting on your best behavior  
turn your back on mother nature  
everybody wants to rule the worldit's my own desire  
it's my own remorse  
help me to decide  
help me make the most of freedom and of pleasure  
nothing ever lasts forever  
everybody wants to rule the worldthere's a room where the light won't find you  
holding hands while the walls come tumbling down  
when they do i'll be right behind you  
so glad we've almost made it  
so sad they've had to fade it  
everybody wants to rule the worldi can't stand this indecision  
married with a lack of vision  
everybody wants to rule the worldsay that you're never, never, never, never need it  
one headline why believe it?  
everybody wants to rule the worldall for freedom and for pleasure  
nothing ever lasts forever  
everybody wants to rule the world.
