

SQUEEZE ME

Anita Baker

[Chorus:]

Come on and squeeze me

Baby won't you tease me

Come on and squeeze me

I like it when you tease me Like the way you shake your thang

Like the way you move

Love the way you so casually slide into the groove You know you take me so high boy

I don't want to come down

You don't have to come down

You don't have to be shy, baby

As long as I'm around Ooh you love me so good

I could never love another

And I wish you would

Not be so undercover [Chorus x 2] Whenever I get lonely I start thinking about you

Ooh sweet baby you're the only one can do the things you do

You tickle my fascination

I get all caught up around you

Such a thrilling sensation

When you get into my groove Hold me

Tell me I'm your one and only baby

Ooh make it good tonight

I'm gonna make it feel so nice

Ooh your love is so good

I can never love another

And I wish you would

Not be so undercover [Chorus x 4]
