# Gino

## Jean Corti

Alright are you ready for this one?
Alright this is big news
I've been spending my time
In cheap motels

I've been drinking the wine
For the cheap price it sells
I've been cooking it up
In Joey's garage

It's like Zappa to Cappa
Pappa to Drumma
Drumma to Mumma
Mumma to Gino

Even so
But the cat that's got the dough
He's got a cool expression
You know it's Gino

You know it's Gino
Saying brother to brother
Hate one another
Sister to Father

Father to Daughter to drummer
Oh Gino
Gino
Gino
Oh No I Hate Gino
