

Gino

Jean Corti

Alright are you ready for this one?

 Alright this is big news

 I've been spending my time

 In cheap motels

 I've been drinking the wine

 For the cheap price it sells

 I've been cooking it up

 In Joey's garage

 It's like Zappa to Cappa

 Pappa to Drumma

 Drumma to Mumma

 Mumma to Gino

 Even so

 But the cat that's got the dough

 He's got a cool expression

 You know it's Gino

 You know it's Gino

 Saying brother to brother

 Hate one another

 Sister to Father

Father to Daughter to drummer

 Oh Gino

 Gino

 Gino

 Oh No I Hate Gino
