

# I Wouldn't Have It Any Other Way

[Aaron Tippin](#)

I've walked the straight and narrow and I've worn a rebel's brand  
Sometimes I've had to go without for bein' my own man  
I've rallied to the cause when I knew the cause was right  
I've cut against the grain, but I've kept my peace of mind And I wouldn't have it any other way  
If there's a price for bein' me, that's one I'll have to pay  
I'll take the good and bear the bad until my dyin' day  
I wouldn't have it any other way  
I wouldn't have it any other way I could have taken a beaten path every time the trouble starts  
I'd rather take a beatin' than to ever cross my heart  
Stickin' to my guns, can't be sold or bought  
Holdin' to my honor no matter what the cost And I wouldn't have it any other way  
If there's a price for bein' me, that's one I'll have to pay  
And I'll take the good and bear the bad until my dyin' day  
I wouldn't have it any other way  
I wouldn't have it any other way I'll take the good and bear the bad until my dyin' day  
And I wouldn't have it any other way  
I wouldn't have it any other way  
And I wouldn't have it any other way
