

# I Go to Sleep (Guitar Version Outtake)

## Pretenders

When I look up from my pillow  
I dream you are there with me  
Though you are far away  
I know you'll always be near to me I go to sleep, sleep  
And imagine that you're there with me  
I go to sleep, sleep  
And imagine that you're there with me I look around me  
And feel you are ever so close to me  
Each tear that flows from my eye  
Brings back memories of you to me I go to sleep, sleep  
And imagine that you're there with me  
I go to sleep, sleep  
And imagine that you're there with me I was wrong, I will cry  
I will love you till the day I die  
You were all, you alone and no one else  
You were meant for me When morning comes again  
I have the loneliness you left me  
Each day drags by  
Until finally my time descends on me I go to sleep, sleep  
And imagine that you're there with me  
I go to sleep, sleep  
And imagine that you're there with me
